# Description

Welcome to this recently renovated apartment (2019), located on the second and top floor of a small-scale building. Here you live in peace and quiet – with no upstairs neighbours – and enjoy maximum privacy. You enter through a spacious entrance hall that leads to the various rooms of the apartment. The cosy living room with open kitchen features large windows, allowing plenty of natural light to flood the space. The kitchen is modern and fully equipped – perfect for those who love to cook and entertain. The apartment offers two bedrooms and a bathroom with shower. Everything has been carefully finished and is completely ready to move in. An extra asset are the two basement rooms of 6 m<sup>2</sup> and 12 m<sup>2</sup>. One of them is currently set up as a hobby hair salon – a lovely extra space that can easily be transformed into a workspace, hobby room, or additional storage area. In addition, there is a very spacious garage of 19 m<sup>2</sup> and an extra parking space in front of the garage, both included in the price. Ideal for two vehicles, bicycles and extra storage.
