Description

Welcome to this spacious, renovated, and energy-efficient (EPC C) home with a large garden, located near the center of Halle. You are immediately greeted by the impressive entrance hall, which provides access to all the rooms on the ground floor. There is a separate toilet and access to the garage, as well as a room currently set up as an office but which could also serve as a bedroom. Finally, there is access to the kitchen and the living room. The spacious living room is ideal for relaxation and features large windows that let in plenty of natural light. The kitchen was renovated about five years ago and is fully equipped. Through the kitchen, you have access to the large garden, perfectly situated, ideal for relaxation and/or entertaining guests while enjoying the sunshine. On the first floor of the house, you will find the four spacious bedrooms, each with some storage space, the renovated bathroom with a bathtub, shower, and double sink, and finally, a separate toilet. Additionally, there is access to the attic, which can be used for extra storage or converted into a hobby room. The house also has a practical cellar. This home has been fully renovated, from the kitchen to the bathroom to the insulation of the exterior walls, floors, and roof. The windows have also been recently replaced. Central gas heating, and a favorable EPC certificate make this a very interesting property in a quiet neighborhood. Close to everything the center of Halle has to offer, yet far enough away, and just a stone's throw from shops, schools, and major roads. Don't miss the opportunity to visit this property and contact us. We look forward to welcoming you.
